On November 26th 2021, there will be another Verhalenavond and you can participate too! This year's theme is 'Language of the Heart', a broad theme for a great variety of stories. You can tell a story about your language, your roots, childhood memories or a story about a special language, a language that is close to your heart.

Hundreds of storytellers will share their story in special locations throughout Fryslân. Verhalenavond brings people together, that is what we desire and where we excel at!

You can tell your story in all kinds of locations, for instance a church, library, museum, your own home or any location you can think of. A place where you can meet your neighbors or a place where you will be able to meet new people. Stories ignite conversation and can be the beginning of new friendships.

Everyone has a story! Are you in?

Coaching

You are invited to join one of our free coaching sessions that are held in five libraries in Fryslân. Jos Thie will be leading these sessions. Look for dates, locations and how to sign up on www.verhalenavond.nl
